GOOD AMUSEMENT PROGRAM GIVEN ON SECOND DAY OF STATE FAIR

Stands Again Filled With Visitors, Who Show Keen Delight at Program of Racing and Other Attractions.

KEEN INTEREST SHOWN IN COUNTY EXHIBITS

Rivalry for First Prize Leads to Elaborate Showing on Part of Those Placed in Charge of Exhibits.

The second day of the thirty-sixth New Mexico enterprise showed no abatement in interest on the part of the crowds here in the progress of the state's biggest enterprise. In fact, there were more paid admissions yesterday than on the day before, and in every way the success of the fair is becoming more and more evident with each succeeding day.

The amusement card offered the crowds in the grandstand yesterday afternoon was an exceptional good one and held the closest interest of the hundreds of spectators that filled the stands. The racing was of an unusually high order and furnished some of the keenest sport ever seen at Traction park. Captain Harry again demonstrated his skill with pistol and rifle to the delight and wonder of the spectators while Patrick and Flanagan were equally popular with their displays of marksmanship and gunnery.

Capt. A. H. Hardy, expert gunner for the Peers Cartridge Co., in automobile novelty act.
